### Seminar Highlights

Dr. Piyush Jaiswal shared various insights during the seminar, including:

- 1. GPAT Exam Overview:**
  - Dr. Jaiswal provided an in-depth analysis of the GPAT exam structure, marking scheme, and subjects covered. He discussed the importance of time management and the best study materials available for effective preparation.
- 2. Career Opportunities Post-GPAT:**
  - He explained various career opportunities for GPAT qualifiers, including roles in pharmaceutical research, quality control, regulatory affairs, and academia. He also discussed the possibility of pursuing higher studies such as M.Pharm, Ph.D., and MBA in Pharmaceutical Management.
- 3. Preparation Tips and Resources:**
  - Practical tips were shared for effective exam preparation, including strategies for revision, focusing on high-yield topics, and managing exam stress.
- 4. Soft Skills for Career Growth:**
  - Dr. Jaiswal emphasized the importance of developing soft skills alongside technical knowledge. He gave examples of how communication skills, teamwork, and leadership can significantly impact career progression in the pharmaceutical sector.
- 5. Interactive Q&A Session:**
  - The seminar included an interactive Q&A session where students had the opportunity to ask questions about GPAT preparation, career options, and the development of soft skills. Dr. Jaiswal provided tailored advice based on students' individual concerns.

### Outcome of the Event

The seminar achieved the following outcomes:

- 1. Enhanced Understanding of the GPAT Exam:**
  - Students gained a clear understanding of the GPAT exam structure and effective preparation strategies.
- 2. Career Path Clarity:**
  - Students were able to identify various career paths they could pursue after qualifying for the GPAT exam, boosting their motivation for both short-term and long-term career planning.
- 3. Increased Awareness of Soft Skills:**
  - Students recognized the importance of soft skills in career success and how these skills complement technical expertise in the workplace.
- 4. Improved Student Engagement:**

### Activity Report

**Event:** Guidance on Research Paper Publication

**Date of Event:** 20<sup>th</sup> March 2024, Wednesday

**Time:** 11:00AM to 1:00PM

**Speaker:** Mr. Shivam R. Patil

**Address of Speaker:** Royal College of Pharmacy, Malegaon.

Mahatma Gandhi Vidyamandir's Samajshri Prashantdada Hiray College of Pharmacy, Malegaon organized a seminar on the topic "Guidance on Research Paper Publication" on 20<sup>th</sup> March 2024, Wednesday at 11:00AM. Dr. S.R. Tambe, Principal of Mahatma Gandhi Vidyamandir's Samajshri Prashantdada Hiray College of Pharmacy, Malegaon.

### Objective of the Seminar

The main objectives of the seminar were:

- To Provide an Overview of Research Paper Publication:**
  - To help participants understand the process of research paper publication from drafting to submission.
- To Highlight Key Aspects of Writing Research Papers:**
  - To guide attendees on structuring, writing, and presenting their research effectively.
- To Explain the Importance of Ethical Considerations in Publication:**
  - To discuss issues such as plagiarism, proper citation, and ethical research practices.
- To Guide in Choosing the Right Journal for Publication:**
  - To help attendees understand how to select appropriate journals based on their research and target audience.

### Seminar Highlights

Key aspects discussed during the seminar included:

- The Process of Research Paper Writing:**

- Mr. Patil elaborated on the key steps involved in writing a research paper, including title creation, abstract writing, literature review, research methodology, and conclusion.
- Choosing the Right Journal:**
  - He provided insights on how to choose a suitable journal based on the scope of the research, impact factor, and target readership.
- Peer Review and Revisions:**
  - The speaker explained the importance of the peer review process, what to expect during review, and how to address reviewer comments for publication acceptance.
- Understanding Publication Ethics:**
  - Mr. Patil emphasized the importance of academic integrity, proper citations, avoiding plagiarism, and adhering to ethical standards in research publications.
- Q&A Session:**
  - The seminar included an interactive Q&A session where participants sought clarification on specific aspects of the publication process, including dealing with rejection and resubmission strategies.

### Outcome of the Event

The seminar successfully met the following outcomes:

- Increased Understanding of the Publication Process:**
  - Participants gained clarity on the steps involved in publishing research papers, making them more confident to undertake publication efforts.
- Enhanced Writing and Research Skills:**
  - The event helped students improve their research writing skills and understand how to structure their papers for better impact.
- Raised Awareness of Ethical Considerations:**
  - Attendees were made aware of the significance of ethical issues in research publication, including citation accuracy and avoiding plagiarism.
- Improved Confidence in Research Paper Submission:**
  - Participants felt more empowered to submit their research papers to academic journals with the knowledge of what editors and reviewers expect.

### Coordination and Participation

The event was well-coordinated by Prof. Bhagyashri Suryawanshi and administration of Mahatma Gandhi Vidyamandir's Samajshri Prashantdada Hiray College of Pharmacy, Malegaon. The seminar saw the active participation of over 70 students and faculty members, primarily from the pharmacy and research departments. Positive feedback was received from participants, expressing their appreciation for the comprehensive insights shared by the speaker.

### Activity Report

Event: Basic Principles of Organic Chemistry and Stereochemistry

Date of Event: 13<sup>th</sup> April 2024, Saturday

Time: 11:00AM to 1:00PM

Speaker: Dr. Anwar R. Shaikh

Address of Speaker: Professor and HOD, Pharmaceutical Chemistry, Allana College of Pharmacy, Pune.

Mahatma Gandhi Vidyamandir's Samajshri Prashantdada Hiray College of Pharmacy, Malegaon organized a seminar on the topic "Basic Principles of Organic Chemistry and Stereochemistry" on 13<sup>th</sup> April 2024, Saturday at 11:00AM. Dr. S.R. Tambe, Principal of Mahatma Gandhi Vidyamandir's Samajshri Prashantdada Hiray College of Pharmacy, Malegaon.

### Objective of the Seminar

The seminar had the following objectives:

- 1. Strengthening Foundational Knowledge in Organic Chemistry:**
  - To help students grasp the fundamental principles governing organic reactions.
- 2. Understanding Stereochemistry:**
  - To explain the importance and application of stereochemistry in pharmaceutical chemistry and drug development.
- 3. Enhancing Problem-Solving Skills in Organic Chemistry:**
  - To equip students with tools and techniques to approach complex problems related to stereochemical configurations and reaction mechanisms.
- 4. Bridging the Gap Between Theory and Application:**
  - To illustrate how principles of organic chemistry and stereochemistry are applied in pharmaceutical research and development.

### Seminar Highlights

The key highlights of the session included:

Accredited by NAAC "B ++" Grade with - CGPA -2.88 in First Cycle. NSS CODE-D-SF-091

- 1. Introduction to Organic Chemistry Principles:**
  - Dr. Shaikh began with a comprehensive overview of the basic principles of organic chemistry, emphasizing reaction mechanisms, stability, and reactivity.
- 2. Stereochemistry Basics:**
  - The speaker explained core stereochemical concepts such as chirality, enantiomers, diastereomers, and optical activity, providing illustrative examples.
- 3. Stereochemistry in Pharmaceuticals:**
  - He discussed the role of stereoisomerism in drug action, highlighting real-world examples of drugs with stereoisomeric forms.
- 4. Interactive Problem-Solving Session:**
  - Students participated in problem-solving exercises related to stereochemical configurations and reaction pathways.
- 5. Applications in Research and Development:**
  - Dr. Shaikh elaborated on the significance of stereochemistry in pharmaceutical research, particularly in the synthesis of active pharmaceutical ingredients (APIs).

### Outcome of the Event

The seminar had a positive impact on the participants:

- 1. Enhanced Understanding of Organic Chemistry:**
  - Students gained a clearer understanding of organic chemistry principles and their relevance in the pharmaceutical field.
- 2. Improved Knowledge of Stereochemistry:**
  - The session demystified complex stereochemical concepts, boosting students' confidence in tackling stereochemistry-related topics.
- 3. Practical Insights:**
  - The application-focused discussion helped students appreciate the importance of organic chemistry and stereochemistry in real-world pharmaceutical scenarios.
- 4. Engaged Participation:**
  - Active participation during the Q&A and problem-solving sessions showcased the students' keen interest and enhanced learning.

### Coordination and Participation

The seminar was meticulously coordinated by the faculty members of the college under the leadership of Dr. S.R. Tambe, Principal. It witnessed enthusiastic participation from over 33 students and faculty members from the pharmacy department. The feedback was overwhelmingly positive, with many students expressing appreciation for the speaker's engaging and insightful presentation.
