Mahatma Gandhi said "Sanitation is more important than independence". He made cleanliness and sanitation an integral part of the Gandhian way of living. His dream was total sanitation for all. Cleanliness is most important for physical well-being and a healthy environment.

Our country is our identity; so, keep identity clean. Pledge to be the citizens of clean country. Clean India, Green India! If India will be clean, it will go green. Swachhata Pledge Contains following points" it is our duty to serve Mother India by keeping the country neat and clean. I take this pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness. I will neither litter nor let others litter" All the staff and students were present and took participation enthusiastically

Swachh Bharat Abhiyan

The temple premises as well as public areas such as roads, the main village area were cleaned by volunteers, and they also stressed the importance of cleanliness to the villagers like by maintaining cleanliness, prevent the spread of any kind of disease and keep their bodies healthy. The government has made the importance of the "Swachh Bharat Abhiyan" campaign clear to the students

Dr. Suresh Shastri guided the students on the topic of Vivekananda's thoughts, but it was the inspiring poem "Singha Nad Ghumta Hai" that became unforgettable. The students were taught important qualities such as self-confidence, will power, positivity, activity, aspiration, and motivation, which were explained using the word "ice-cream" to make it easy for everyone to understand
