DELNET/Mem/Best Practices/2021

July 22, 2021

**Sub : DELNET Best Practices for Data Sharing and Accessibility among Member-Libraries
— Request to Contribute Library Records for DELNET Discovery Portal**

Dear Sir/Madam,

I take pleasure in informing you that DELNET has recently launched an initiative "DELNET Best Practices for Data Sharing and Accessibility" among the member-libraries. It will significantly contribute in enhancing information sharing and accessibility of library resources among the users of the member-institutions and would further promote the contributions of libraries for making a Digital India. Data Sharing is one of the most important ways to promote equitable access to information by the students, faculty, researchers and scholarly community. It also leads to an extensive and optimum use of library resources for the benefit of users for their academic, research and reference purposes.

We are very much thankful and appreciative of your institution being one of our esteemed member institution. I would like to request you kindly send us the records created in machine readable form in your Library for merging into the DELNET Discovery portal which is accessible 24/7 by member institutions. You will appreciate that the level of resource sharing can enhance only if the records of all libraries are merged regularly from time to time. I request you to kindly send us: 1. Database of Books, 2. List of Current Journals, 3. List of CD's Audio/Video, 4. List of Online Databases, 5. Any other Database which has been compiled. Please mention the details in the enclosed form. We request you to kindly send us your library records now and also quarterly updates (incremental backups).

I would like to reiterate the fact that by sharing your library records with DELNET, your institutional library will derive the following benefits:-

1. Your Library resources will become accessible to users and researchers worldwide among the member-libraries of DELNET. Your institutional library will get more visibility and recognition and it will empower your library.
2. Your own users can access your library records through the Web apart from accessing more than 3.5 crore records of other member-libraries. This is beneficial as it enables the users to browse through their own library resources present in DELNET Discovery Portal as the data of each library is assigned a specific location code.
3. A backup copy of contributed records of your library becomes available with DELNET. In case of any crisis like software failure, at your end the backup copy of records can always be taken by your Institution from DELNET.
4. DELNET will be glad to provide "Certificate of Appreciation" for promoting "DELNET Best Practices - Data Sharing and Accessibility" to Member-Libraries for their contributions from time to time. Also Annual Awards will be given to the Best Data Contributing Member-Libraries for their active participation in knowledge sharing activities.
5. The accreditation bodies like NAAC also recommends the Institutions to adopt Best Practices in their Institutions. By participating in this initiative, the libraries will help their Institutions in achieving the desired outcomes in teaching, learning, research activities, etc. by providing access to vast information resources. It will immensely contribute in fulfilling the needs and requirements of the Users' Community.

Please send us your library records (in excel or MARC format) to sangskaul2003@yahoo.co.in. Please mark a Cc to sks.delnet@gmail.com and khushaldelnet@gmail.com For any technical assistance for data sharing, please contact Mr. Sanjeev Kumar Sinha, Associate Technical Services, Mob: 9810533743 and Mr. Khushal Giri Goswami, Network Assistant, Mob: 9717734478.

I shall be most grateful to you for your kind cooperation and support.

With kind regards,

Yours sincerely,

Sangeeta Kaul
